

February 2021

Dear Campers, Coaches, and Supporters,

As the global pandemic continues to claim lives across the country, The Band at the Beach Board would like to continue our mission of Keeping Music in Schools. However, the safety of our students and coaches is the single most important concern as we consider moving forward. The Board is committed to our relationship with Point Loma Nazarene University in providing a safe and healthy environment for all to learn and grow. At this time, in the current environment, PNLU has not agreed to a facilities rental agreement for our potential summer program in July 2021. Therefore we do not have a date to announce for this summer's camp.

The Band at the Beach Board has decided to only proceed with this year's camp if an arrangement can be made with PLNU to safely host the event in their facilities. If at a later time, PNLU determines that a safe event can occur, we would love to host another wonderful week of music making this July! However, if this cannot be arranged, then please rest assured that we plan to make arrangements for the camp to return in July of 2022!

We ask for your patience and understanding in these trying times. A lot can change in the next few months as hope and optimism is palpable! The Board plans to make a final decision regarding this summer's program in March and we will keep you all updated of our plans no later than March 20th. In the meantime, please stay safe! Thank you so much to all our supporters who continue to support us in our perpetual mission!

Musically,

The Band at the Beach Board

James Llamas, President
James Simon, Vice President
Dell Schroeder, Secretary
James Trepasso, Treasurer
